Dear brother and sister.

We are having real nice weather. but quite cold. we ordered a small crate (holds three dozen eggs) from the "Fair". so you may need them. we also sent a box of "Kamag Keith" candies. what do you think of the box. we had to have boxes right away. so ordered two hundred and fifty. all the rest will be the same only embossed. which will be much nicer. it was done before I knew of it. I mean the rest. Claude made that. and the children all wanted the name. now its up to us to make the name. I feel famous. all who have seen the box like it and some say a good deal about it.
