EXECUTIVE OFFICES

My dear Mother--

Now I will have to start
sending you money weekly again and
then I will write as I should - I don't
know where the time goes but it goes
with the good resolutions maybe.

We had a fine trip and a good
rest at Sturgeon Bay - were away from
Thursday to Wednesday so had a nice long
trip and did not have to chirk hard - We
stopped Monday night at Oconomowoc - in
the village - did not go out to La Lumiere
the place we stayed when you were with us.

I have not made up my mind on
vacation trip yet but the Eastern part
seems to be fading away - don't see how
I can take the time or spend the money.
(Speaking of money - How about the new horse.)

Would like to get ~~Sela~~ away for
a few days or a week if she can make it

and will try to make it the last week in September - do not know where we will go but will go where she wants if she has any choice. If she wants to we could drive over to Mich. and perhaps bring you back but am afraid that would not give her the rest she needs. My suggestion is a Wisconsin trip on into Southern Indiana.

Lou is failing very rapidly - did not know Joe when she was there Sunday - Lela will not go down again until he is better - Boss and Carrie are going tomorrow, and take some winter underwear as he complained of the cold.

Business is not improving much but we are at least holding our own and selling some stock so feel very much encouraged, when our new beef and new service get started about Oct 1st we will all feel better - now it is a case of making time.

Don't forget if you want anything, or need more money, let me know - you know I don't think of those things but want to be reminded

With lots of love

Clade -
