little packages was put in to keep the
cake from being shaken up too much.

think you did. I have not heard any
thing from Cora. I did not say any thing
about you or the home, vice and running

to day. sub-claffy and wet. Lela goes to Elgin

not hear one word from Luree. sometimes
she thinks she will phone her. then she will
change her mind. we are glad Edna liked
our candy. wonder if Harry would not like a

for 100 Bess just phoned. said she got Pat's
gal. your letters. every thing got there O.K. I'll send
this just the same as busy as its written.
