Dear brother & sister.
It has rained steady all
day. we are afraid our nice
weather will take a hard
cold. I expect to go to Lewis
town. stay till Christmas
she will stay here. I will
a word from any of Lewis
Hulks for a number of
weeks. get an unusual amount
from Mildred. When a word from
him was better. two letters from
Sam to day, written and spelled
all right. perfectly normal.
in any thing he said. we could
understand it. I have not seen
him since in our four weeks. such
crowds. girls don't want to go.
Have you got that record edition?
we have you heard it. I want to
to hear it now till after Xmas. ^{would}
be almost impossible to get in to
a town. and play it now. we have
had thirteen lbs. candy ordered from
Bellevue and family. Let me know
what Lewis address I want to
send her a card. will suit Friday
All in bed but are good night.
Omit - Love from
